

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1914/3dn
MDK:cjs:rs

March 7, 2007

Rep. Montgomery:

This version is identical to the previous version, except that I revised proposed s. 66.0420 (3) (b) 3. as requested. In addition, John Stolzenberg noted a few technical issues, which I addressed as follows:

1. Proposed s. 66.0420 (2) (j) 2. h. from the previous version is deleted (reference to institutional networks and PEG channels in exclusion from definition of "gross receipts").
2. I corrected a typo in proposed s. 66.0420 (3) (b) 2. b. by inserting "of" after "performance" in the 2nd sentence.
3. In proposed s. 66.0420 (4), I added "Notwithstanding s. 66.0425" to the 2nd sentence.
4. I made changes to proposed s. 66.0420 (5) (a) 4. and the last sentence of proposed s. 66.0420 (7) (a) 1. to make those provisions more "readable."
5. I revised proposed s. 66.0420 (10) so that it refers only to video service, and not video service and cable service. The reference to cable service is redundant because video service is defined to include cable service.
6. I deleted the 2nd sentence from s. 196.50 (1) (b) 2. e.
7. I changed a reference in s. 196.50 (1) (c) from "cable television services" to "video services."
8. I corrected the treatment of s. 943.46 (2) (g) so that it refers to "video service network," which is consistent with the other changes made to s. 943.46.
